SUPERVISED RELEASE

Upon release from imprisonment, you will be on supervised release for a term of:

- 3 Years subject to the mandatory, standard, and following special conditions of supervision:
- 1) The defendant shall provide the probation officer with any financial information he or she may request.
- 2) The defendant shall not incur new credit charges or open additional lines of credit without the approval of the probation officer.
- 3) The defendant shall participate in an outpatient substance abuse program approved by the U.S. Probation Office, which may include testing to determine whether he has reverted to using drugs or alcohol. The Court authorizes the release of available drug treatment evaluations and reports to the substance abuse treatment provider as approved by the probation officer.
- 4) The defendant shall submit his person, residence, place of business, vehicle, and other premises under his control to a search at a reasonable time and in a reasonable manner, on the basis that the probation officer has reasonable belief that contraband or evidence of a violation of the conditions of his release may be found.

The mandatory drug testing condition is suspended because the conditions of supervised release contemplate drug testing.

MANDATORY CONDITIONS

1.	You must not commit another federal, state or local crime.
2.	You must not unlawfully possess a controlled substance.
3.	You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.
	☐ The above drug testing condition is suspended, based on the court's determination that you
	pose a low risk of future substance abuse. (check if applicable)
4.	✓ You must make restitution in accordance with 18 U.S.C. §§ 3663 and 3663A or any other statute authorizing a sentence of
	restitution. (check if applicable)

6.	☐ You must comply with the requirements of the Sex Offender Registration and Notification Act (34 U.S.C. § 20901, et seq.) as
	directed by the probation officer, the Bureau of Prisons, or any state sex offender registration agency in the location where you reside, work, are a student, or were convicted of a qualifying offense. (check if applicable)
7.	☐ You must participate in an approved program for domestic violence. (check if applicable)

You must comply with the standard conditions that have been adopted by this court as well as with any other conditions on the attached page.

STANDARD CONDITIONS OF SUPERVISION

As part of your supervised release, you must comply with the following standard conditions of supervision. These conditions are imposed because they establish the basic expectations for your behavior while on supervision and identify the minimum tools needed by probation officers to keep informed, report to the court about, and bring about improvements in your conduct and condition.

- 1. You must report to the probation office in the federal judicial district where you are authorized to reside within 72 hours of your release from imprisonment, unless the probation officer instructs you to report to a different probation office or within a different time frame.
- 2. After initially reporting to the probation office, you will receive instructions from the court or the probation officer about how and when you must report to the probation officer, and you must report to the probation officer as instructed.
- 3. You must not knowingly leave the federal judicial district where you are authorized to reside without first getting permission from the court or the probation officer.

4. You must answer truthfully the questions asked by your probation officer.

5. You must live at a place approved by the probation officer. If you plan to change where you live or anything about your living arrangements (such as the people you live with), you must notify the probation officer at least 10 days before the change. If notifying the probation officer in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.

6. You must allow the probation officer to visit you at any time at your home or elsewhere, and you must permit the probation officer to take any items prohibited by the conditions of your supervision that he or she observes in plain view.

7. You must work full time (at least 30 hours per week) at a lawful type of employment, unless the probation officer excuses you from doing so. If you do not have full-time employment you must try to find full-time employment, unless the probation officer excuses you from doing so. If you plan to change where you work or anything about your work (such as your position or your job responsibilities), you must notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.

You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting the permission of the

probation officer.

9. If you are arrested or questioned by a law enforcement officer, you must notify the probation officer within 72 hours.

- 10. You must not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified for, the specific purpose of causing bodily injury or death to another person such as nunchakus or tasers).
- 11. You must not act or make any agreement with a law enforcement agency to act as a confidential human source or informant without first getting the permission of the court.
- 12. You must follow the instructions of the probation officer related to the conditions of supervision.
